

Do you need transportation?

The Blue Loon's long awaited flex route bus service has officially commenced with routes running from Wolfeboro to North Conway (with a transfer point in West Ossipee) and West Ossipee to Laconia.

With prior arrangement the bus will deviate up to ¼ more off of its fixed route and actually come to your door if you are not able to get to the mainline!

In order to introduce you to this great new way to get to work, do some shopping or make that needed medical appointment, you may ride the new flex route system for free up until the end of the day on January 13, 2012.
