Moultonborough to Get Valuation Update

At its meeting of 4 p.m. on Thursday August 26th, the Moultonborough SelectBoard will receive a progress report on the statistical update of the property values in town which is now underway. These values would be for the tax year effective April 1, 2010. Mr. Gary Karp, the Town Assessor, will review the assessing methodology that has evolved from the hearings and comments of the past month and his discussions with the Vision staff. This will be followed by a presentation by Vision as to any changes from the preliminary values first released about six weeks ago. The session will be in the Ernest Davis Meeting Room of the Town Hall located at 6 Holland Street.

“While this presentation is primarily for the SelectBoard to understand the values now being proposed, and how they were arrived at, we certainly encourage those with remaining questions to come and see if those have now been addressed.”, said Joel Mudgett, Chairman of the Board of Selectmen. A final mailing of each changed value and the publication of the town wide values will follow shortly after the SelectBoard takes final action on the proposed values.

People who will be attending and know they are coming with specific questions, or for those who cannot attend but still have an inquiry or suggestion they would like to make, are encouraged to submit them ahead of time to the Town Administrator, Mr. Carter Terenzini, by phone to 476.2347, by fax to 603.476.5835 or by email to cterenzini@moultonboroughnh.gov the close of business on August 26th so that they may be taken up during the meeting.
